State Federation Says Federal Employes Are Discriminating.

FAVOR 9-HOUR LAW ALL OVER OKLAHOMA

Workmen's Compensation Fight Scheduled to Come Up Today.

The directors are convinced this fair will be quite as successful as those which previously were held and the big stadium, which will seat ten thousand people, will be a great permanent of Lisber.

The fight over proposed amendments to the workmen's compensation set, that threatens to be the liveless scramble of the entire convention, did not break yesterday, although 22 delegates presented a resolution was referred to the proposed made by Edgar S. Fenton, president of the federation. This resolution was referred to the propose and the wall be reported on iteday. Noses were counted yesterday and it was estimated that the convention was about evenly divided on the subject. The subject of the proposed by President Fentor proposed by delegates will stick by the legislative program proposed by President Pen-

Extension of Nine-Hour Law. Extension of Nine-Hour Law.

A resolution was adopted yesterday afternoon, instructing the legislative committee to work for an amendment to the nine-hour law for women making the act applicable in all cities and towns in the state. At the present time it does not apply to towns that had a population of less than five thousand according to the federal census of 1919. In Drumright laundries, stores and other establishments are working employes more than nine hours a day, and seven days a week, and delegates from that city offered the resolution.

the resolution.

The resolutions committee submitted only a partial report. The balance of the report probably will be re-

Another resolution action of the mility of the property and the control of the c

CONCRETE STADIUM

TIME FOR OPENING OF STATE FAIR SEPTEMBER 23.

Other Buildings Lost in Monday Night's Fire May Not Be Reconstructed.

OKLAHOMA CITY, Aug. 22 .- A concrete stadium which will cost \$50,000 will be crected on the state fairgrounds to take the place of the grandstand which was destroyed by fire last night, according to announce-ment forthcoming today from mem-bers of the board of directors. It is the intention, too, to have this mas-sive structure in place when the fair

sive structure in place when the fair opens, September 22.

Efforts also will be made to reconstruct the concessions building, although it is not a certainty they will be successful as this structure is of such massive proportions that it is feared it could not be finished in such a short time. The scenic railway will not be rebuilt this year and a temporary structure will be erected for the carousel.

The directors are convinced this fair will be quite as successful as those

CLAREMORE. Okla., Aug. 22.—
Three attempts to end her life within a period of two hours, is the record set by Vera Love, a guest at the Sequoyah hotel in Claremore. Monday night, while in a despondent mood, the young woman, 23 years of age, first attempted to hang herself with a sheet to the fixtures in her bathroom. Falling in this — next endeavored to jump from the wadow of her room in the third story to the pavement below, but was unable to loosen the fastenings on the window. Immediately thereafter she sent a porter to a drug store for bichloride of mercury tablets. Upon receiving these she took four of seven grains each. This proved too great a quantity and she became violently sick youtling the tablets from great a quantity and she became vio-lently sick, vomiting the tablets from she system. At this point her rash act had been discovered and medical aid was summoned. She will recover, The young lady came to Claremore from Oklahoma City and has been re-ceiving treatment from local physicians, who fail to account for the cause of her wish to destroy her life.
